## Transscription of Julie & Julia

- "I cooked artichokes with hollandaise sauce which is melted butter that's been whipped into a frenzy with egg yolks until it's died and gone to heaven. And let me say this. Is there anything better than butter? Think it over. Every time you taste something that's delicious beyond imagining, and you say, "What is in this?" The answer is always going to be "butter."
- "It's incredible"
- "It's been whisked into submission, that's why.
- "The day there's a meteorite heading toward the earth and we have 30 days to live, I am going to spend it eating butter. Here's my final word on the subject. You can never have too much butter.
